

Data Protection related Information

1. Oncompass Medicine Hungary Kft controls and protects the personal data in harmony with the relevant data protection legislation, while using its system.
2. Oncompass Medicine Hungary Kft registers the following data based on Permit NAIH-102950 of the Hungarian National Authority for Data Protection and Freedom of Information in connection with the specific users, in connection with the oncological patients:

Personal data:

- name;
- home address;
- place and time of birth;
- name of mother;
- TAJ number [Social Security Code];
- age;
- family status;
- family anamnesis.

Special data:

- general data concerning the health condition;
- description of the tumorous disease;
- data of tumorous disease;
- oncological nosology;
- previous treatments and their efficiency;
- results of the molecular diagnostic test of the tumour tissue;
- gained and inherited genetic variations;
- name of the therapist(s);
- data of the previous medical treatments.

3. Oncompass Medicine Hungary Kft uses the specific user related information for the following purposes:
 - registration for using the IT system of Oncompass Medicine Hungary Kft;
 - providing, checking, reworking and developing the system related services;
 - as part of performing the contractual obligations and exercising the rights of Oncompass Medicine Hungary Kft existing in respect of the user, and its consumer protection procedures, and for the performance of all its contractual obligations of similar type; and for the purpose of communicating with the user in connection with the above;
 - providing molecular pathologic interpretation and medical decision support for the user, in the course of which the data are shared with the authorised doctor, biologist, health assistant colleagues of Oncompass Medicine Hungary Kft;
 - sending, handing over personalised information to the user in email, through post, over phone, concerning new clinical examinations, new scientific inventions, new diagnostic and therapeutic procedures, provided the user requests or permits this under the personalised settings;

- requesting a second medical opinion for the user, in which case the user may issue a statement separately under the personalised settings for permitting the sharing of the personal data;
 - the user himself may share his data within the system with other users (patients and doctors);
 - statistical, analytical analysis, in an anonymised form, combined with the data of other users, and publishing this;
 - using the anonymised data of the user to allow the system to provide better decision support for the treatment of similar users (patients);
 - using the anonymised data of the user for statistical analysis in order to help third persons in developing new anti-tumour medicines and diagnostic methods.
4. Information related to the user will be retained by Oncompass Medicine Hungary Kft only until it is absolutely necessary for achieving the purpose, until it is suitable for achieving the purpose for which the data was collected or until it is allowed by any contract or legislation. Oncompass Medicine Hungary Kft does not collect information needlessly, and it does not collect any needless information or which is not suitable for achieving the desired purpose.
 5. Upon the request of the user, Oncompass Medicine Hungary Kft will provide information on the data that are processed by it or by the data processor it has assigned or authorised to process them, their sources, the purpose of data processing, its legal basis, its duration, the name, address of the data processor and its activity that is connected to data processing and - in case the data of the user are forwarded - the legal basis and the addressee of forwarding the data.
 6. The personal data connected to the user are not made available by Oncompass Medicine Hungary Kft to any third party without the permit of the user, except if the user related information needs to be or required to be communicated towards other companies, financial organisations or state organisations (in line with the legislation), for crime prevention or consumer protection reasons; if the legislation stipulates or allows it, or if it stipulates for Oncompass Medicine Hungary Kft to do so, or if in the interest of performing its obligations it is needed.
 7. If the personal data of the user is shared by Oncompass Medicine Hungary Kft with any third party, in each case it fulfils the stipulations of the data protection legislation.
 8. The user has the right to request information on the processing of his personal data in line with the data protection legislation. The information is provided free of charge. Oncompass Medicine Hungary Kft fulfils the request of this kind of the user within 25 (twenty-five) days after its submission, if request by the data subject in written form. If the user wishes to turn with a request concerning the processing of his data to Oncompass Medicine Hungary Kft, Oncompass Medicine Hungary Kft asks him to pick up contact with the company through the contact data that are published on the www.oncompassmedicine.com website (e.g. the info@oncompassmedicine.com email address), or through its administration interface.

9. The user is entitled to the following through the above given contact addresses:
 - to request information on the processing of his personal data;
 - to request the correction of his data or – except the case of mandatory data processing – the deleting or blocking of his data;
 - to object to the processing of his personal data in the cases that are determined in the data protection legislation;
 - to turn to the competent authority and court if his rights are violated and in the cases that are defined in the data protection legislation; and
 - to demand the refunding of the damage caused to the user by the violation of the requirements that are connected to the illegitimate processing of his data or of the requirements of data security.
10. Oncompass Medicine Hungary Kft informs the user that the national law of the specific countries may define the data protection related rules in more detail than as it is described in this data protection policy.
11. It is the task of Oncompass Medicine Hungary Kft to ensure the protection of user related information. Oncompass Medicine Hungary Kft applies rational physical, electronic and management procedures for protecting the personal data of the user, especially against unauthorised access, modification, forwarding, publication, deleting or destroying, and accidental destruction and damaging, as well as against their becoming inaccessible due to the changing of the applied technology. Oncompass Medicine Hungary Kft pays special attention to prevent all illegitimate or unauthorised procedures during this activity with the means that are available to it during the processing of the data of the user. In spite of all these measures, Oncompass Medicine Hungary Kft cannot fully guarantee the security of the data of the user.
12. Oncompass Medicine Hungary Kft protects the security of the data of the user with the following means: by encoding, wherever it is possible; with password protection, wherever it may be applied; and by restricting access to the information (e.g. only those of our employees may have access to them, for whom it is necessary for achieving the above mention purposes). Oncompass Medicine Hungary Kft asks the users to help it in protecting the information by not using obvious login names and/or passwords, and by changing his password regularly. Moreover, Oncompass Medicine Hungary Kft asks the user to protect his password and pin code from being learnt by third persons.
